

# PIEDMONT

CLT **CONTRACTING GROUP** NC

Position:

Superintendent

Overview:

Piedmont Contracting Group is a Charlotte-based premium full-service contractor.

Description:

Piedmont Contracting is looking for superintendents with commercial background experience to provide on-site coordination of assigned construction projects, including coordinating material/equipment and subcontractors, ensuring all drawing specifications are being followed, and that work is on schedule and built with exceptional quality. Superintendent shall be responsible for scheduling, inspections, job site safety and quality control.

Required Qualifications:

Associate's degree in construction management or related field and/or two years of commercial building experience

OSHA 30 certification (recommended)

Proficient with Microsoft Office including Excel, Word and Project

Ability to read and interpret construction drawings and specifications

Strong interpersonal skills including written and verbal communication

Self-starter with excellent time management skills and ability to work independently
